

Customer Carbon Footprint Tool

Feb 2022 - May 2022

Your carbon emissions summary

Compares your carbon emissions with on-premises computing equivalents

0.0 MTCO₂e

Your estimated AWS emissions

0.0 MTCO₂e

Your emissions saved on AWS

Your emission savings

0.0 MTCO₂e

Saved from AWS renewable energy purchases

0.0 MTCO₂e

Saved by using AWS computing services

Your emissions by geography

You don't have any carbon emissions for this time period.

Your emissions by services

Service	Carbon emissions	%
---------	------------------	---
